### Biography

Melusi Majojo is an Associate Lawyer at Absolom and Shepherd Attorneys, specializing in civil and commercial litigation. He has substantial experience in mergers and acquisitions, particularly within the mining sector, where he has successfully assisted clients in acquiring mines and drafting intricate mining contracts. Melusi has also represented clients in high-stakes litigation, including a million-dollar shareholder investment dispute and large-scale debt recovery efforts totalling USD 5 million. His expertise extends to tax law advisory and litigation, constitutional law, and labour law, where he has provided comprehensive legal support to various clients.

In addition to his legal practice, Melusi has co-founded Orater's Edge, a firm which offers coaching in oratory, strategy, and corporate communication strategy development. Notably, Melusi, has also conducted trainings on the integration of carbon pricing and artificial intelligence for the betterment of humanity. Melusi is also a seasoned Master of Ceremonies, having hosted numerous local and international events.

### Practice focus

Melusi's clientele includes a foreign embassy, foreign investors, a national leader in tax advisory, and local municipalities. He advises clients on a wide array of legal matters including deal structuring, investment laws, shareholder disputes, tax law, labour law, constitutional law, high value recoveries and general litigation.
